

Hampshire County Council. Looking after your Street Lights.

How to contact us:

If a street light is lit during the day, or not working, you can report the faulty light by either ringing the number below or via the website.

0845 603 5633

www.hants.gov.uk/street-lighting

How long to Repair:

We expect to repair routine lamp failures in 3 business days. Some damage equipment or electricity supply problems may take longer.
